Development Agreement Fundamentals

Wisconsin Economic Development Academy

This session, led by Charlie Walker, President and CEO of Chippewa County Economic Development Corporation, and Katie Hinkle, Attorney at Michael Best, will begin with developing an understanding of a development agreement, including the legal basis for agreements, essential elements and what a typical agreement might look like. Best practices will be considered including a discussion of public involvement/transparency, negotiations and what partners/parties you may want to have involved in the process. Community perspectives, including a discussion on lessons learned, will be included.
