## How to Fortify Your Contractual Risk Transfer Program

This 2-hour workshop is designed to display actual Contractor's contracts, while attorney Roy Wagner identifies areas that need to be fortified. Our insurance experts will then go through policy exclusions, endorsements, and definitions to highlight common policy gaps which may be potential reasons for denial of claims or lack of response from a subcontractor's policy. Join us to receive tips and tricks to better protect your company, while preventing downstream breaches.

Please Note:
