## Reopening Yoga Studios during the COVID-19 Pandemic: Tips and Tricks for Adapting Yoga Studios to the 'New Normal'

On September 4, 2020, North Carolina joined several other states in allowing gyms and yoga studios to re-open despite the COVID-19 pandemic. This complimentary webinar focuses on the CDC and North Carolina guidance for reopening studios during the pandemic with an emphasis on health and safety, as well as how to safely (and legally) launch a full or partial virtual yoga practice for those studios and yogis not quite ready to return to indoor practice. Grab your favorite snack and join attorneys and yoga enthusiasts Ashley Felton and Emily Haas (RYT200) for this webinar tailored to our North Carolina yoga community.
