The Complete Guide to Wisconsin Sales and Use Taxes

2008 Edition (516 pp.)

Published since 1992 by Michael Best & Friedrich LLP, *The Complete Guide to Wisconsin Sales and Use Taxes* contains a comprehensive analysis of the Wisconsin Sales and Use Tax system. This treatise contains over 500 pages of text (including hundreds of examples and planning tips), together with a copy of relevant statutes, regulations, tax forms and a comprehensive index. This valuable book is widely considered the definitive work on the Wisconsin sales and use tax system.
