International Service

We advise U.S. companies doing business abroad and international clients operating in the United States. To serve our clients' global needs, Michael Best is the exclusive member firm in Wisconsin for Lex Mundi—the world's leading network of independent law firms with in-depth experience in 100+ countries worldwide.

Whether working with Lex Mundi firms or with other preferred international counsel, Michael Best can seamlessly handle our clients' most challenging cross-border transactions, disputes, and other matters.

As part of the Lex Mundi global network, we offer clients preferred access to more than 22,000 lawyers across 125 countries—all from a single point of contact. Individually, each Lex Mundi member firm is a leader in its local market. Collectively, Lex Mundi firms provide global legal resources with unmatched depth and breadth.

To ensure high-quality service, each Lex Mundi member is evaluated on quality, responsiveness, range of legal services, reputation, technology, management structure, ethical standards, conflict procedures, size, court admissions, and other criteria. Members are admitted only after substantial due diligence, and must undergo regular quality and peer review procedures.
