

Jaime L. Tremblé *

Intellectual Property Administrator

* *Not admitted to practice law*

Overview

Jaime assists in all aspects of United States and international trademark prosecution and trademark maintenance, including drafting and filing trademark applications, responding to actions and letters issued by the United States Patent and Trademark Office (USPTO) and due diligence and chain of title/assignment matters.

She also manages post registration trademark matters such as renewals and declarations. In this capacity, she regularly corresponds with firm clients and global associates to help manage trademark related matters.

Jaime has been with Michael Best since 2004. She draws on her experience in assisting in United States and international trademark oppositions to help enforce client trademark rights.
