

Vincent M. Morrone

Senior Associate

Overview

Vince represents clients involved in sophisticated transactions, including commercial lending; business planning and formation; and mergers, acquisitions, and divestitures.

A diverse group of clients looks to Vince for creative solutions and practical strategies that will help them get their deals done. They include:

- Financial institutions and borrowers in secured and unsecured credit transactions, acquisition financing, venture capital alliances, and reorganizations
- Buyers and sellers in acquisition and divestiture transactions
- Private companies on general corporate governance issues

Vince worked as a law clerk at Michael Best and another Milwaukee-based law firm before becoming a lawyer. He also served as a judicial intern in the Wisconsin Court of Appeals, District II.

Experience

Notable representations include:

- Advising a financial institution client on a \$20 million acquisition financing
- Representing a private automotive client in the \$45 million sale of a business division
- Advising a financial institution on a \$25 million commercial loan
- Representing an information technology company client on the \$215 million sale of its business
- Advising a financial institution on a \$40 million asset-based revolving loan facility for a public company
