

COVID-19 Precautions Recommended By OSHA

Unvaccinated or otherwise at-risk workers are also at risk when traveling to and from work in employer-provided buses and vans

- Notify unvaccinated and otherwise at-risk workers of this risk and, to the extent feasible, help them limit the number of such workers in one vehicle.
- Make sure all unvaccinated and otherwise at-risk workers sharing a vehicle are wearing appropriate face coverings. Make sure all workers wear appropriate face coverings in areas of substantial or high community transmission.
- Where not prohibited by weather conditions, open vehicle windows.
